

## Extreme Narrow Beam Hand Light

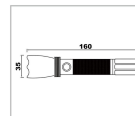

### Technical application: extremely narrow beam

Code Watt(w) Optic Flux(lm)

SD29-2WD04-CQ 1.6W 4° 115lm

CNC machining technology  
3mm thick tempered glass  
6061 aluminum lamp body anodized surface  
Lamp beads with reflector cup and anti-glare ring  
Choose MacAdam=5 lamp beads  
Protection performance: IP65/IK07  
Product weight: 0.19KG  
Physical properties: surface below 40 degrees  
Optional color temperature: single white RGBW  
Working temperature: 20°C-50°C

SP40-3WD04
